Chicago Area Council –
4th Annual Council Wide Service Project

Saturday, May 11, 2013

Douglas Park 1400 S Sacramento

Chicago, Illinois

Do join us for this great event. In the last three years Chicago Area Council has been responsible for over One Thousand people providing over 2000 hours of loving care to Fix-Up and Clean up , the Dunning Reed Nature Preserve and the Major Taylor Trail. This year we are excited about being able to provide Douglas Park with the kind of special care that Cub Scouts, Boy Scouts, Venture Crews, Explorers and their families can happily provide.

We will be centering our efforts in one area of the park were we will be helping to spread mulch, cut back brush and remove invasive species that are growing faster than ever before. We will have something for everyone to do.

We will have 3 two hour shifts that are available. We ask that you plan to arrive 15 minutes before your assigned time to check in and get your assignments. It is not necessary for you to bring any equipment or tools, all will be provided for you. We ask that you round up your group, get your reservation in early and get set to have a fun and rewarding time, as we give back to our community. We will have a snack available to participants at the end of each shift. Event patches can be ordered when you turn in your request for a time slot, or at the event. The cost of the patch will be $1.50. We will look forward to having everyone join us. Please give us your 1st, 2nd, & 3rd choice for the time slots. This event is a rain or shine event.

We will contact each unit by e-mail one week before the event to confirm your time slot and give out last minute info on exactly where in the park we will meet.

Questions? Shar 708-453-5121 shar55555@juno.com
