Calling all Cub Scout Leaders

BAWOW TRAINING!!

Saturday, April 5, 2014
Christ Memorial Church
2440 York St., Blue Island, IL
9:00 AM – 3:30 PM, registration at 8:00 AM

We have taken all the great information in the BALOO Outdoor Training and combined it with the Outdoor **W**ebelos **L**eader Training. You will get all of the skills, twice the fun and more excitement that anyone else can cram into a whole day. The only things left out are the L's.

We know the packs will be planning campouts during the summer. Come and find out, just how easy it can be to plan and carry out a GREAT Pack Campout. We cover everything you need to know from where to go, what to do, how to do it, and what to cook. You know how to do it the hard way, come out and find out how to make things a lot EASIER and more FUN.

It is important for all of the leaders that will be doing outdoor activities with the Pack to participate in this training. Tour permits require at least one leader to have BALOO training.

The morning will be devoted to sessions on where to go and how to start your planning. We will also work on skills you will need on your campout. The lunch program will be a whirlwind of tips and tricks as we guide you through hands on preparation of Breakfast, Lunch and Dinner that will keep your families well fed and energized. We will help you to understand the nuts and bolts of the Outdoor Program and fire & knife safety and finish the day with a round robin of outdoor skills, camp setups & gadgets, and time for questions. Have we given you the bug to get out under that canvas yet? We had a good time at training last year; tell others in your pack to come out this year.

The ***camping season*** will be here soon, be sure to be READY!

Fee for the day is $**10.00** and includes your registration, lunch and all materials.
Questions: Helen Gesell 708-955-6418 or scouter9933@yahoo.com

ADVANCE REGISTRATION necessary to provide Materials and food!
NO REGISTRATION WILL BE ACCEPTED AFTER 4-01-14 DEADLINE
