OWASIPPE LODGE 7

Second Annual Picnic Table Project

You Can Help Improve *the Quality of Camp for all our Scouts at Owasippe*

Owasippe Lodge has an ongoing project to replace 100 tables for our campers at Owasippe. With your help we were able to build 30 new tables last year. These tables were placed in Camp Carlen for the Webelos Camp and provided a first time, first class impression of Owasippe to the future Boy Scouts in our council.

This year the Lodge has set a goal to supply the materials and labor to build an additional 30 new picnic tables.

You can support this project by making a donation in any amount, large or small, to help defray the cost of the materials. The estimated cost for materials to build one table is $225. The labor to assemble the tables will be provided by lodge members during the Work Weekend of 2013.

The table design, as pictured above, will be made of high quality, heavy duty materials that will stand up to rough use for many years. Please appreciate that the new tables will be placed in the areas of greatest need and will not be placed in any pre designated camp site.

As Arrowmen, this is a great opportunity for all of us to help fulfill an equipment need at Owasippe.
