The National Office of Learning for Life/Exploring is proud to present the:

WHO: Volunteers and professionals who are interested in growing Exploring

WHAT: You are invited to learn more about the specific action steps in the tried and true plan to grow Exploring. The road show will include discussion and training on developing committees, selling Exploring to schools and companies, how to start a post or club, career interest surveys, generating income from clubs or posts, and more! ***How many points can you raise your JTE needle by focusing a bit more on Exploring?***

2014

Real-World Career Experiences

Exploring®

ROAD SHOW

WHEN: Thursday, March 27th from 10AM to 2PM

WHERE: Steve Fosset Center, 1218 West Adams St. Chicago, IL 60607

WHY: School districts across the country are looking for programs to connect their students with real world career experiences. Parents are trying to help their children make good decisions regarding college choices and future careers. Exploring meets both of these needs, yet most don't even know we exist.

Let's start making the connections today!

Contact: Ernest Espinoza at 312-421-8800 ext. 248 OR eernest@bsamail.org

Parking is limited so please car pool. Parking is available on the street and there is parking available one block south of the office at union park lounge. You may also use the blue line.

FEE: $8 Please pay with check made payable to Chicago Area Council

DEADLINE: Please RSVP by March 20, 2014.
