Welcome to the 2014 Owasippe Camp Staff Application!!

Before you begin the process, you should be aware that you don't have to turn in a paper application this year if you don't wish. By filling in all the required fields, signing digitally, and using the submit button in the upper right corner, your application can be sent directly to the repository for applicants. This PDF will email the response. You may, if you still wish to, fill out a paper application by printing this and mailing it to the address below.

This new process will save time and allow camp directors and other staff involved in the hiring decisions to see more information than before, in one place, electronically.

We appreciate your application, and for trying out the new method of applying for camp in the process. Making things more efficient and accessible saves time and money. Every little bit helps.

Thank you!

CHICAGO AREA COUNCIL
